W.E.W. Power Breakfast series, serves as an opportunity for extraordinary women from all walks of life to inspire and equip women to live their lives, on their terms.

The most powerful asset we have in our society, are the women who have chosen to lead, become professionals, elected officials, business owners and last but not least Mothers. One woman alone is great and will change many lives, but many women together empowering each other will change the world.

At the annual W.E.W Breakfast, professionals, entrepreneurs, young upstarts, and community leaders will converge to have an authentic conversation about life in the pursuit of success, family, happiness, wealth and equality . The Breakfast offers professional development for attendees, an opportunity to advance skills, network with peers and be inspired by women who are making an impact in our community.

We invite you to join us at W.E.W 2018 as a sponsor of the event. Your continued support helps make this event a success every year and 15% of all proceeds help fund the Women Empower Women Scholarship. In 2017 we were able to support one young lady on her way to college with a \$500 scholarship.

Best Regards
